

Keeping you safe

Please do not visit the restaurant if you have been in contact with someone with symptoms of Covid-19

Please use the hand sanitizer provided on arrival

Maintain a social distance of 1m +

Supervise children at all times

Personal belonging must be kept with you at all times, please only bring with what is necessary

Show kindness and respect to other diners and staff

Be patient and follow our guidelines

Here are the measures we're putting in place to keep everyone safe.

For your safety we have carried out a COVID-19 risk assessment and shared the results with the people who work here

- Team Health Checks: Daily health checks are in place before team members start their shift to ensure they are displaying no symptoms.
- Social Distancing: We're observing the latest government guidelines on social distancing with 1m plus between tables in England and 2m in Wales. Please respect social distancing with other guests and team members.
- Ordering: Menus are single use.

- Cleaning & hygiene: Hand sanitisers are available throughout the restaurant. We have a strict cleaning program throughout the day. All chairs, condiments and table information holders are sanitized after each use.
- Table size: we have limited the maximum table size to comply with all government advice., including localised guidelines.
- Household restrictions: Please ensure you follow the relevant local guidelines. In most parts of England, only 2 households (and their social bubbles) should be dining together indoors.

For our Teams' safety

- All team members have a daily health check before starting their shift
- We have completed individual risk assessments for each team member to ensure it is safe for them to return to work
- Frequent of handwashing for all team members
- Where possible, we would encourage you to use contactless payment which is available up to £45 per transaction
